

The Gild of Freemen of the City of York

Dear Member

As the new compiler of the news letter I would like to take this opportunity to introduce myself. I have been a Court member for just a few months and I am keen to ensure that the postal address we are using is the correct one, particularly the postcode! If the address is not correct or if you would like to receive this news letter in a different format such as by e mail just let us know.

I would also welcome comments as to the content and style of the letter, are we giving you enough time for booking events etc, and is there something you would like us to include that is not there already.

We understand that time and distance could be a problem for some of our members, but we would welcome you to the many events we hold throughout the year.

Please note: that the 'There's more to pies than you realise' event due to be held in November has had to be cancelled until March 2019, sorry for any inconvenience this may have caused you.

I look forward to hearing from you.

Keith Isaac
